

BULLETIN 2 2ª prova TNCS and WRE Elite Sprint

"Sono due anni che Ivan non è più con noi, sentiamo la sua mancanza.

Questo evento, che sarà di divertimento per tutti, è dedicato a lui.

E verrà facile ad ognuno di voi che lo ha conosciuto
rivolgergli a proprio modo un pensiero particolare e un sorriso".

A.S.D. Agorosso welcomes you to "2 days orienteering in Clusone" and thanks you for your participation.

COMPETITION CENTRE

Open from 13:00 in Clusone at Scuola Media Prina in via S. Alessandro 2, Clusone (GPS coordinates 45.888, 9.94485). Showers will be available. Race arena is 5 minutes from the competition centre.

PARKING

Car, camper and bus parking is located 500 m from the competition centre. Directions will be duly pointed out.

Terrain: 100% asphalt, sett paving, marble.

RACE MAP

"Clusone", CS 903 ISSOM specification - survey 2014 (Francesco Giandomenico)

Scale 1:4000, contour distance 2 m for M/W Senior (WRE)

Scale 1:5000, contour distance 2 m for other classes (TNCS)

Maps are printed on A4 water resistant paper with four colour digital printing.

M/W Senior categories run in an area with restricted traffic (residents only), anyway pay attention and follow the rules of the road. All other classes cross streets with local traffic too, pay the maximum attention and follow the rules of the road.

Crossing the red-marked road on the map is prohibited for all competitors, it is mandatory to use the underpass marked on the map; offenders will be disqualified.

CONTROL DESCRIPTION and BIB

Control description is printed on the map for all classes and will be available at pre-start only for M/W Senior. All competitors shall wear their bib, otherwise they will not be allowed to start.

QUARANTINE, WARM-UP and START (M Senior and W Senior)

M/W Senior competitors shall reach the competition centre, sign a specific form and enter the quarantine area before 14:30 (otherwise they will not be allowed to start). Twenty minutes before the start time, the competitor can leave the quarantine area and test the contactless punching system with a warm-up map. In any case, it's up to the competitor to reach the pre-start (-5 gate) and give back the warm-up map. The organization will handle the transport of athletes' belongings from the quarantine area to a covered place in the race arena. In no way M/W Senior competitors are allowed to exchange information about the race terrain and control points with other competitors (including TNCS competitors). It's forbidden to cross embargoed areas.

M/W Senior first start is set at 15:00.

Start lists are based on reverse WRE ranking dated 31.12.2013.

START (other classes)

TNCS competitors are requested to leave the competition centre after registration in order to reach the race arena, which also offers covered spaces. Once in the arena, competitors are not allowed to get back to the competition centre. Mass start with three launches: 16:30 - 16:40 - 16:50. It's forbidden to cross embargoed areas.

FINISH and RACE ARENA

The finish is located near the race arena. SI-Card readout is done right after the finish. All runners are required to stop at the SI-Card readout desk, including those runners who did not complete the whole course.

The speaker in the arena will update spectators about the evolution of the race.

The covered place is at competitors disposal for luggage deposit and dressing.

CONTROL POINTS

Control points will be placed on trestles or locked on trees, poles or prominent features. Each M/W Senior control point will consist of contactless station, classic electronic station and manual needle punch; only electronic station and needle punch for the other classes.

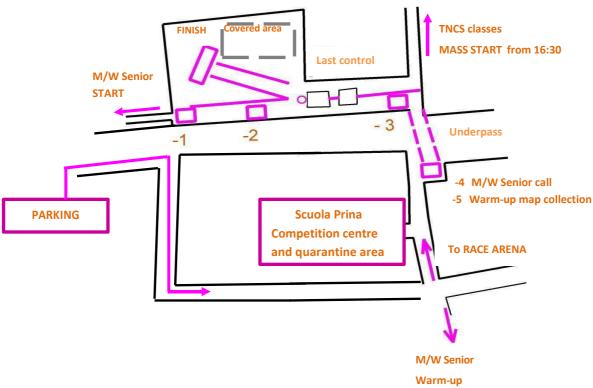

LAYOUT

TIME KEEPING

SPORTident system will be used for time keeping. WRE categories will have the new SPORTident contactless system; the organization will provide an appropriate SI-Card that shall be returned after the race. In case of malfunctioning of a contactless station, a normal station will be available for punching; if even this fails (no beep and light), the competitor shall manually punch in the boxes printed on the map and show the mark to the finish supervisor.

Maximum race time is set to 120 minutes.

MAP COLLECTION

After the finish, M Senior and W Senior competitors must leave the race map in the dedicated container; maps can be picked up after all classes have started.

TNCS competitors can keep their map at the end of the race.

KINDERGARTEN

Kindergarten will be available from 14:00 to 17:00.

REFRESHMENT

Competitors will find a refreshment stand in the race arena.

PRIZE GIVING CEREMONY

At 18:00/18:30 in piazza Manzù, Clusone (race arena).
