BIBS NUMBER

Bibs number will be given Sunday morning to the secretariat. The athlete have to take his bib. It's not possible to start without the bib number.

MAP

The map have scale 1:10.000, equidistance 5 mt, realization 2007. The maps are mapped with ISOM 2017 from IOF Rules. The maps are printing on blue-back paper on A4 or A3 size.

TERRAIN

Wolf-O 2018 take place alpine terrain with coniferous forest with good visibility, there are also some open land areas. There are also some fallen trees and high undergrowth that may slow you down. Altitude is between 1.200 and 1.500 m.a.s.l.

START

The first start will be at 10.00 for all the categories. The start is 400m with 50m climb far from the event centre, 5 minutes of walk. It will be “delayed start”, the start point is 140m far from the real start.

CONTROL DESCRIPTIONS

The control descriptions will be printed on the maps and it's also possible to find loose control description at the start.

THE RACE

The race will be a long distance with chasing start, the start list are based on the results of the first stage.

Some classes have to cross a dangerous road. You must cross the road only where there isn't the symbol of Forbidden Area (709, see example below)

The classes which cross the road have a self-service refreshment point with water. The refreshment points will be on the map with the symbol 713 (see example below).
