

PARKING

Thanks to the patronage of the Municipality of Tarvisio and the availability of Mr. Di Vora Giuseppe, president of the Valcanale Pluriservizi Cooperative, parking for athletes will be free.

It is recommended that cars travel fully loaded, in order to avoid incongruous occupation of the parking lot.

It will be necessary to display the pass that can be downloaded from the race card (<https://www.fiso.it/gara/2022250>) on the rear window, those without a pass will have to pay the cost of parking (€ 4).
