**IN RESPECT OF TOURISTS, RESIDENTS AND PLACES THROUGH DURING THE COMPETITION, PLEASE PAY PARTICULAR ATTENTION TO PLATEATIC, TOURISTS AND INHABITANTS IN THE MOST TRAFFICKED AREAS, REMEMBERING THAT IF THERE IS THE POSSIBILITY TO CONTINUE RUNNING IN A PLACE OF SPECTACULAR BEAUTY WILL ALSO BE A DESERVE OF THE COMPETITOR!**

It is forbidden to cross the canals by swimming or by other means, use the appropriate bridge!

Some porches can be very low - be careful.

As always in Venice, many construction sites are being opened for the paving of calli and bridges which can reduce the useful walkable width with a consequent increase in the density of people in transit: please be careful when crossing these areas.

The entrances to some public parks have been barred on paper and prohibited as they are closed at a certain time. Avoid entering to avoid being locked inside. The optimal route choices, however, do not presuppose the crossing of these parks.

The busiest areas and streets are indicated on the map in brown 50%.

Pay attention to the correct number sequence and codes.

**PAY ATTENTION TO THE IRON BRIDGES AND WALKWAYS AS WELL AS THE PARTS OF THE STREETS AND BRIDGES PAVED IN WHITE MARBLE, THEY MAY BE SLIPPER IN CASE OF RAIN OR HIGH HUMIDITY.**
