Start: 300 m from Event Center

Finish: 1500 m to Event Center

WARM-UP

At the Event Center a WARM-UP map is available. It shows paths and orange areas.

On WARM-UP map you can also find FINISH and control number 50 (see below), you can visit them before the race.

Outside warm-up map is all FORBIDDEN AREA

Some MW Elite competitors will have **GPS**.

GPS units and vests will be given at the start (please give them back at download station).

There are **two starting controls** for the different classes. Be careful to be in the right starting lane according to your class.

Courses are thought as all competitors should go on single tracks and narrow bridges in the same direction (unless they have very wrong route-choices).

Be careful in **narrow bridges**: the handlebar could touch the wooden sides of the bridge.

Finish double-circle is moved from its proper location to improve readability.

!The are 3 mandatory crossing points:

CONTROL 50

After control 50 go into the tunnel marked on the map with purple crossing point and follow taped route (see detailed route below)

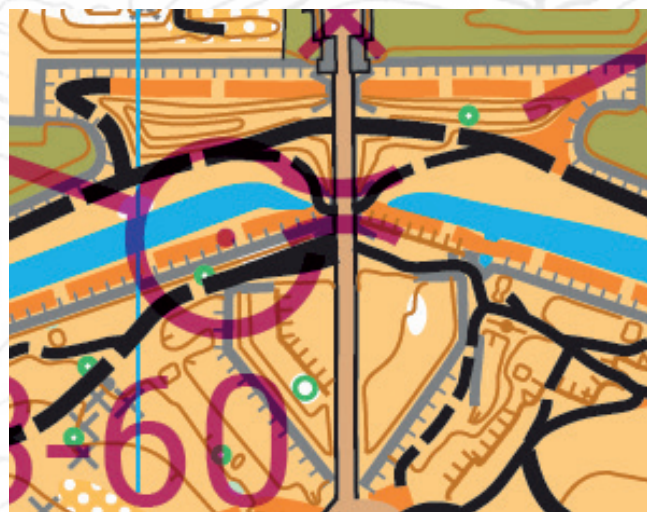

Left: taped mandatory route (in blue).

Right: race map

ESO M12 W12 classes after control 50 go to control 100 and Finish

CONTROL 60

After control 50 go into the tunnel marked on the map with purple crossing point

CONTROL 70

After control 70 go into the tunnel marked on the map with purple crossing point

SPECIAL SYMBOLS
