## **Coppa Italia Trail-Orienteering, 2nd manche - CHIS Cup Campionato Veneto Trail-Orienteering – memorial “Antonio Lunardon” CONFIRMED on Sunday, March 10, 2024, Grantorto (PD), Italy**

After the survey of this afternoon, we found a formula for the competition that, though less technical than the one previously planned (which however still has its route underwater, and we don't expect improvements for Sunday), will be of a technical level sufficient to satisfy the competitors.

We thus confirm that the competition will be held on Sunday, with the One Man Relay formula: about 15 Pre-O points and 3 Temp-O stations.

We remind those interested in having lunch in the restaurants advised in Bulletin 1 to book by tomorrow, Thursday 7, by calling directly the restaurants, specifying "gara di orienteering".
