## GENERAL INFORMATION:

- **Helmet use is mandatory**
- **Cutting in the woods or on meadows is prohibited.**
- The roads are not closed to traffic, pay attention when crossing them and respect the highway code.
- Due to forestry work or falls there are many trees that obstruct the road.
- The passable gates marked on the map with the symbol 717 may be open.
- Some roads and paths allow high speeds, pay maximum attention when crossing other road users (pedestrians, cyclists, vehicles).
- Based on route choices, it will be possible to cross other competitors, keep right in the direction of travel and proceed at an appropriate speed, paying maximum attention in points with reduced visibility.
- Some branches of brambles may spread on the paths, and it is advisable to wear appropriate protection
- Only the paths have been updated and not the vegetation which may also be very varied due to deforestation.
- **Toilets are available at the meeting point**
