START

The start is 1 km away with 40 m of climb along the pink tapes.

Sport LAND

For warming up competitors may use the entire length of the route that runs between the event centre and the start.
LEAVING THE MARKED ROUTE IS PROHIBITED, PENALTY DISQUALIFICATION.
Provincial and municipal roads are open to traffic, please obey the highway code and take extra care around the youngest participants.

Competitors in the Family, White, M10, W10, Yellow classes may choose their start time and start by punching the start station.

All other classes have individual starts at the times shown on the start list.
Competitors will be called -3 minutes before their scheduled start time:
• minute -3 (call): bib number check, SI-card check, SI-card clear
• minute -2: collect control descriptions
• minute -1: stand in front of your map, watch the clock and listen for the start beep
• minute 0 (start time): collect your map and follow the taped route to the K point
Each competitor is responsible for checking that the map collected or handed to them is correct, by checking the class printed on the map and on the control descriptions.
The actual start is marked on the map by a triangle – it is about 120 metres from the map issue point and the timed start.

FEDERAZIONE ITALIANA SPORT ORIENTAMENTO
Comitato Regionale Friuli Venezia Giulia

REFRESHMENTS
Water and tea will be provided after the race.

COMPETITION TERRAIN
The course terrain is 70% forest, 30% meadows and pastures.

TECHNICAL DETAILS:

- TERRAIN and VEGETATION

The competition area is mainly alpine terrain, with steep to very steep slopes. There is also a generally flat meadow area, with some small landforms.
The forest is generally clear; vegetation runnability ranges from very good to moderate.
Stony areas alternate with sections without stones that are particularly easy to run through.
Both spiked shoes and shoes with studded soles are suitable.

- MAPPED BOULDERS

The map shows the main boulders, generally at least 1,20–1,30 m high. Medium sized boulders, even clearly visible ones, may be omitted. When using boulders as reference points, bear this mapping selection in mind.

ROAD CROSSING
All classes will cross a road on the way to the start and during the race, please take care and obey the highway code.

WARM UP
You may warm up along the route and in the start area without entering the competition area

SICARD/SIAC CHANGES
Please notify the event office before your start of any change to your Sicard/SIAC from the one shown on your bib (changes are free of charge).

RETIREMENT
Athletes who have to retire from the race must report to the IT station in the arena
SIAC users are advised to punch the FINISH station to switch off AIR mode
An athlete who retires must not influence any other competitor.

FEDERAZIONE ITALIANA SPORT ORIENTAMENTO
Comitato Regionale Friuli Venezia Giulia

MAXIMUM TIME

Competitors intending to retire must punch the finish station (to switch off their SIAC if applicable) and download their chip at Data Processing
The maximum race time is set at 1 hour and 30 minutes and in any case cannot be less than twice the winning time in the respective class
Control collection will begin 1 hour and 30 minutes after the last competitor has started.

START LISTS AND RESULTS

Start lists and results will be available online on the FISO website and on Oribos

PRIZE GIVING

Prizes will be awarded to the top three in all competitive classes.
